## SANDY RETREAT from Tere Bresin

For this Lincoln Park bathroom, Tere Bresin of Beret Design Group, Montclair, designed a contemporary, loft-like space with soothing hues. Tiles reminiscent of sea glass were chosen for the tub enclosure and the backsplash of the vanity, which holds a matching vessel sink. Cornmeal-colored terrazzo floor tiles were selected to resemble sand underfoot. ▣

1. Athey shades crafted from a geometric-patterned fabric by Donghia.
2. Whirlpool tub by Ultrabath from Hardware Designs is surrounded by Oceanside glass tiles.
3. Terrazzo 12-foot by 12-foot floor tiles in cornmeal.
4. Natural-stained anigree wood vanity designed by Beret Design Group.
5. Recessed light fixtures by Halo.
